GRIFFITH PARK - FERN DELL **Film Production Guidelines**

Failure to comply with these conditions will be in violation of your film permit and may result in revocation of permit.

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Okay to shoot a walk and talk at Fern Dell.
- Okay to have a cast/crew size of 10.
- Okay to shoot 7am to 1pm ON 12/19/10.
- Okay to park 10 cars in Section 9.
- Not permitted to use generator.
- Must use all hand held equipment.
- Companies are required to inform all film crew members of the filming restrictions for Fern Dell.
- Driving of vehicles inside the Dells will not be permitted.
- Any action shots must be filmed only on the walkways.
- Explosions are not allowed.
- Proposal for light use must be discussed with Park Maintenance Supervisor.
- Any alterations to the plants or planted areas must be approved by the Park Maintenance Supervisor.
- Bringing and placing additional plants must be approved by the Park Maintenance Supervisor.
- Bringing soil, mulches, leaves and other material used for footing or blowing effects is not permitted unless approved by the Park Maintenance Supervisor.
- Bolting or nailing into the trees is not permitted.
- Staking only allowed at monitor's discretion.
- Accidental or pre-approved change to the landscape surface, including the dirt road, must be leveled off before the film company leaves the location.
- Activating the waterfall is not permitted unless it is approved by the Park Maintenance Supervisor.
- Preparing, staging or actual filming will be stopped by the Park Management if unexpected weather conditions in combination with company activities causes damage to the area.

- No heavy equipment on turf or grass.
- May not block any driveways or service roads.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between permittee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The permittee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permittee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
